How Did I Do?

Writing genre: Persuasive Essay

1. What do you think was the best part of your persuasive essay?

2. How clearly did you state the goals of your essay? How convincing were the reasons you gave to support your essay's goals?

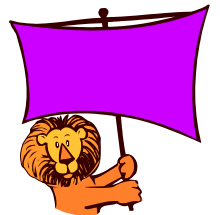

3. Did your essay capture your reader's attention at the beginning?

4. Did you build your argument to support your point of view with facts and examples?

5. How persuasive was your essay? Did it convince your readers of your point of view?

6. Did you end your essay by summarizing the main points of your argument? How successful was the conclusion of your essay?
